

**COURSE REQUEST - PSYCHOLOGY**  
(Catalog 07-09)

**Please read the following instructions before completing the Course Request.**

Fill in the blanks at the top of the form. Please be certain to include the Group Name and Term Code. This information is located on your Group Schedule. Select each course you wish to take by putting a check mark in the Sign Up column. Also, circle the "Y" or "N" to indicate if the course is being repeated.

*Note:* You may only sign up for one term of courses per form.

If a Course Substitution has already been approved by the Registrar's Office, please do not sign up for that particular course on this form. All substitutions must be pursued *prior* to registering for the term in which the course is being offered. Contact your Academic Counselor to initiate this process.

This form and the 1/3 tuition down payment, along with any outstanding balance, must be submitted *by* the published deadline date. [To view deadlines, go to the Major Course Schedule on the BOLD Program website] You will not be officially registered for these courses until after these items have been received.

If you have not been cleared to take a course by 5pm on the deadline date, you will be assessed a \$120 late fee. You may register for a course after the deadline (the late fee will be assessed), but only up to *one week prior* to the first night of class.

To drop a course, contact your Academic Counselor. A \$5 drop fee will be assessed. Also, contact the Financial Aid office to determine if your aid will be affected.

**Please complete and sign the form below prior to submitting it to your Academic Counselor.**
