BE THOU MY VISION

Be Thou my Vision, O Lord of my heart;
Naught be all else to me, save that Thou art.
Thou my best Thought, by day or by night,
Waking or sleeping, Thy presence my light.

Be Thou my Wisdom, and Thou my true Word;
I ever with Thee and Thou with me, Lord;
Thou my great Father, I Thy true son;
Thou in me dwelling, and I with Thee one.

Riches I heed not, nor man’s empty praise,
Thou mine Inheritance, now and always:
Thou and Thou only, first in my heart,
High King of Heaven, my Treasure Thou art.

High King of Heaven, my victory won,
May I reach Heaven’s joys, O bright Heaven’s Sun!
Heart of my own heart, whatever befall,
Still be my Vision, O Ruler of all.
MESSAGE FROM THE
PRESIDENT

Welcome to Biola University’s Spring Commencement, and congratulations to you who are graduating for finishing well. Today is the culmination of years of hard work and perseverance, which no doubt included valleys and mountaintops. Today is also a commencement of something new. The world needs what you have to give, equipped in mind and character to make a difference for the cause of the Gospel. May the relationships that have been formed, the wisdom you have gained and the knowledge that has been imparted stand you in good stead in the years ahead. Each one of you has been a special gift of God to Biola University and our prayers go with you as you take this important step in your journey.

Barry H. Corey
President

MESSAGE FROM THE
PROVOST & SENIOR VICE PRESIDENT

It is an honor to congratulate you, the graduating class, and to present you to President Corey for the awarding of degrees. This ceremony marks a significant achievement in your lives. You have studied. You have grown. You have overcome adversity. There were times, I am certain, when you wondered if it was worth it and if you would be able to manage. Yet here you are. Your walk with God and understanding of His kingdom has matured just as your awareness of yourself and God’s call on your life has deepened.

Today is a day to celebrate all that you have accomplished. It is a day to say thank you to the friends, staff, faculty and family who have prayed for you and walked with you along the way. It is also a day to give thanks to God, the author of life and the giver of every good and perfect gift. May your life continue to resonate with the life of Christ as this marvelous journey of the upward call of God in Christ Jesus unfolds before you. Continue to grow in patterns of heart, and of thought, and of action that are the markers of a life hidden in God.

May the peace and presence of Christ attend you. Congratulations to you on this day.

David P. Nystrom
Provost & Senior Vice President
Welcome to the heritage of unique and extraordinary Biola degree holders, influencing and affecting the world for the Lord Jesus Christ. A degree from Biola University is an achievement that you will cherish for the rest of your life. It is a significant testimony to your intelligence, academic skill and diligence to reach this great milestone. Your degree is also a testimony to what you believe, affirming your calling to live your life for the Lord.

As Biola graduates, we recognize the benefit of our Biola experience, and are thankful to all who helped make it possible. Whether through volunteer, prayer or financial support, every year thousands of alumni express their appreciation and desire to give back to enhance the Biola experience. The power of numbers, giving even a little, can make a huge difference for future graduates.

I encourage you to make Biola part of your future. The relationships built with students, faculty and staff are a powerful long-term global resource. On behalf of tens of thousands of Biola alumni around the world, welcome to the Alumni Association and the heritage that is Biola!

The School of Education also has the Master of Arts in Teaching (M.A.T.). The M.A.T. is a practitioner’s degree, designed to teach advanced skills and understanding for classroom application. Graduates of this degree program complete 30-50 units, which may include teacher preparation coursework leading to a California preliminary teaching credential. The graduates must maintain a 3.0 cumulative GPA and successfully complete an Action Research Project as their capstone.

Degree candidates for the Doctor of Philosophy in Educational Studies and the Doctor of Education in Educational Studies have completed 48 and 45 semester units of coursework respectively with a GPA of 3.25 or higher, passed candidacy examinations and completed an approved dissertation. Doctoral faculty must recommend the student for conferral of the degree on the basis of academic stature and evidence of Christian life and character established during his or her course of study.

Degree candidates for the Doctor of Ministry have completed 36 semester units of coursework while obtaining a GPA of 3.0 or higher. Each degree candidate has submitted an acceptable doctoral thesis project.

Degree candidates for the Master of Theology have completed 26 semester units of coursework with a GPA of 3.25 or higher and have successfully passed the comprehensive examinations. In addition to the required prerequisites, Master of Arts candidates completed 42 units (M.A. ICS); 32 units (M.A. TESOL); or 33 units (M.A. Applied Linguistics). Doctoral candidates entered with master’s degrees, and depending on their previous graduate classes, took 48 units of coursework and 12 units of dissertation research for the Ph.D. in Intercultural Education and Ph.D. in Intercultural Studies and 27 units of coursework and 8 units of dissertation research for the Doctor of Missiology. They conducted original research and defended dissertations on topics that contribute to the understanding and practice of education (Ph.D.) or missiology (D.Miss.) in a cultural context.

CROWELL SCHOOL OF BUSINESS

Degree candidates for the Master of Business Administration program have completed these distinct elements: prerequisite coursework, required for those without a business undergraduate degree (up to 15 units); a common core of graduate courses in management, marketing, finance, and accounting (21 units); a concentration of required theology courses (6 units); an integrative business ethics course (3 units); approved MBA electives (6 units); a project management capstone, and participation in the MBA Mentor Program. Graduates complete between 36 and 51 units in their program with a cumulative G.P.A. of 3.0 or above.

The BOLD Program is designed for the working adult who has returned to college after being away from the formal education setting for a number of years. ACADEMIC DRESS

Contemporary academic dress is clearly derived from the robes worn by teachers in European medieval universities and is based upon clerical garb, since the clergy were the first university teachers. Today, academic dress does not serve its original functions of providing warmth and/or distinguishing one’s religious order, but it does serve to identify the degree held, field of study and the university from which the wearers received their advanced degrees.

The American university robe comes in different shapes to identify its wearer as holder of the Bachelor, Master or Doctor degree (three velvet stripes on each sleeve further identify the doctoral robe) and is usually a closed gown in black. The foreign university robe is often open in the front and is frequently found in the Doctor version in a color other than black, such as red.

It is possible for the skilled observer to decipher the degree held from the robe and also to discern the subject area and the university of its wearer according to the mix of colors on the hood. The velvet band around the neck of the hood is frequently colored according to the scheme below to indicate academic area, and the lining of the hood appears with the official colors of the degree-granting institution.

Caps and tassels also vary. Most American and many foreign universities employ the black mortarboard, while some American and foreign universities are further identified with unusual shapes and types of caps. The tassels are usually black, although some universities vary there also, employing silver and gold.

Biola University traces its origins to the Bible Institute of Los Angeles established in 1908 by Lyman Stewart, founder and president of the Union Oil Company, and the Rev. T.C. Horton, two men of extraordinary vision and commitment to Christian higher education.

Dedicated to combating the moral decay and faithless liberalism of their day, Stewart and Horton established the Institute to educate and equip men and women with a relevant Christianity that would impact society at home and abroad. The Institute’s influence was felt along the entire Western Seaboard from Mexico to Canada and across the Pacific to China. By 1909, over 540 extension courses were sponsored by the Bible Institute.

The following decades produced immense growth, development and outreach. The school moved from a two-year to a four-year program offering degrees in theology, Christian education, and sacred music, and a one-year program in missionary medicine. By 1949, the Bible Institute had become a flourishing Bible College and in 1952 launched Talbot Theological Seminary to further serve the Christian community. In 1959, Biola received accreditation from the Western Association of Schools and Colleges.

In the ensuing years, Biola College broadened its curricula in the arts, sciences, professions, and seminary offerings while maintaining its strong foundation in biblical studies. Throughout the 1960s and 1970s the program base further expanded, and in 1977 the Rosemead Graduate School of Professional Psychology was acquired.

Biola College became Biola University on July 1, 1981, composed of the School of Arts and Sciences, Rosemead School of Psychology, and Talbot School of Theology. The School of Intercultural Studies, with its outstanding program in world missions, was established in 1983 and renamed the Cook School of Intercultural Studies in 2009. The School of Business was added in 1993 and renamed the Crowell School of Business in 2007. The School of Professional Studies was added in 1994 and a seventh school, the School of Education was added in 2007.

Ranked by the Carnegie Commission on Higher Education as a Doctoral / Research-Intensive Institution, Biola University offers four undergraduate degrees in 40 undergraduate majors with more than 120 emphases, 17 master’s degrees and eight distinct doctoral degrees. With an outstanding faculty, the University has distinguished itself in scholarship and academic excellence.
Experiential programming is a hallmark of Biola University. National and international opportunities are available where students live and learn in diverse cultural settings. Some of the programs are University-based, while others are held in conjunction with the Council for Christian Colleges & Universities (CCCU). Domestic programs are offered in Washington D.C., Los Angeles, Berkeley, New York City, Utah and Colorado Springs. Students also have the opportunity to study internationally in Australia, Costa Rica, Egypt, Uganda, Oxford, London, Russia, New Zealand and Honduras. Educational programs are offered in Thailand, Lithuania and Ukraine, and exchange programs are maintained with schools in Korea and Japan.

Biola continues to affirm its commitment to creating significant academic programs that engage our community with some of the most influential thinkers of our time, while assuring the spiritual and moral development of our students. Examples include the Master of Arts degrees in Philosophy of Religion and Ethics, Christian Apologetics and Organizational Leadership.
